

## 2018 Membership Information

**It's that time again! Time to renew your membership with the Florence Chamber of Commerce! Please take a moment out of your busy day to consider something that could be very rewarding and beneficial to you and your business.**

The Florence Chamber of Commerce would appreciate your consideration in becoming a member of the chamber. We sponsor several annual events in which we feel enrich the entire community as well as bring in tourism dollars to local businesses like yours.

The chamber office is an information center for tourists, shoppers, and families planning on relocating to the Florence area. We strive to provide accurate and positive replies to all inquiries received in this office. We promote local businesses and community services at every opportunity.

Your membership entitles you to a business listing on our website that showcases the town of Florence. This is a great marketing tool for our members as well as a great reference source for the public. The webpage allows you unlimited text, a photo or your logo, links to social media, and your own website link, as well as, recognition in our business categories. The Chamber of Commerce, along with our local Middle and High School students helps the **Easter Bunny** hide eggs for the kids at Pioneer Park and works with the Florence Merchants so our area children have a safe place to **Trick or Treat on Main Street**. We invite **Santa** to visit with the little ones before Christmas, and he is joined by **elves, carolers, and the band from Fremont Middle School**. During the summer, we help advertise and support all our community events. You will find **The Farmers Market** every Thursday morning until 1pm. The Chamber also hosts the **Craft Fair** at Pioneer Park and **Junktique Vintage Market** during Pioneer Days in September.

The Chamber also hosts an **Annual Banquet** to introduce the new Board of Directors and officers and to honor deserving citizens in our community at the beginning of each year. At the end of the year, we host a New Year's Eve Ball with fun, food, friends and dancing!

These events are successful because of the support of our members, the City of Florence, area schools, civic and business groups, and caring Florence and Fremont County residents.

Some of you may be wondering, "**What are the benefits and services of joining the Florence Chamber of Commerce?**" Well look no further! We've got your benefits and services right here on the enclosed **Benefits Chart!**

Take a look at the accompanying membership application and you will see that our dues are fair and reasonable. *Note that dues for 2018 are prorated.* Our Calendar year runs from January to Dec 31. Membership invoices are sent out in November. We are presently only staffed part time, so our office hours are limited, but we check email, regular mail, and phone messages regularly.
